## **March 17-18, 2018**

### **VENDOR SET-UP & BREAKDOWN PROCEDURES**

**On Friday, March 16, proceed to the new Staging Area behind the Grocery Outlet store prior to 6:00 pm. You will be assigned an unloading number and given directions and map to the event area. You will not be allowed to enter the event area and unload without that number. Be sure to bring all the items in this vendor information package, especially the copy of your confirmed space application.**

We will begin unloading no earlier than 6:00 pm. You will be sent to downtown Jackson when your area is ready for unloading. ***You must move your vehicle immediately after unloading (before setting up your booth) to allow room for others to do so.*** We will have teenagers to assist you in unloading. Late arrivals will be assigned a number at the end of the list which may require you to hand carry your goods to your space after all others are set-up. Overnight security will be on duty Friday and Saturday nights.

Breakdown will begin at 5:00 pm Sunday or as announced by the Dandelion Days Committee. ***If you cannot be ready to load your vehicle by 6:00 pm, you must begin breakdown early enough to do so.*** You will not be allowed to bring your vehicle into the event area until you are ***packed and ready to load.*** When you are packed and ready to load, a Dandelion Days Committee member will give you a loading slip which must be displayed to admit your vehicle for loading. Vehicles will not be allowed in the event area until the Lions declare it officially closed.
